Subj: NAVY'S INSTALLATION RESTORATION (IR) PROGRAM

In accordance with Section 7.7 of the Federal Facilities Agreement (FFA) for the Pearl Harbor Naval Complex and Sections 117 and 120 of the Superfund Amendments and Reauthorization Act (SARA) of 1986, the draft final Sampling and Analysis Plan (SAP) and Health and Safety Plan (HSP) for Phase 2 Remedial Investigation (RI) of the Red Hill Oily Waste Disposal Facility at Fleet & Industrial Supply Center (FISC), Pearl Harbor are enclosed. Also provided as a part of the SAP are the review comments to the draft plans as well as our responses to these comments.

In accordance with Section 7.8 of the FFA, these draft final documents shall serve as the final document if we do not hear from you within 30 days of your receipt.

Should you have any questions concerning these documents, please contact Mr. Wesley Ching of the Environmental Restoration Branch at (808) 474-4513.

Sincerely,

Melvin Z. Waki
