Aloha Gentlemen,

As you know, I will be out of town for the next week or two.

Russell Tsuji, our Deputy Director, will be the primary contact while I'm gone. If you need any further information regarding the DOCARE Chief position or anything else to complete your analysis, please don't hesitate to contact him. Russell's phone number is 587-0402.

I spoke with Captain Steve Mahling today, and I understand that one big hurdle is a federal law that prohibits a military person from holding an elected or appointed job. The DOCARE Chief position is a state civil service position that is selected through the civil service competitive hiring. So that should not be a problem.

Steve told me you guys are working through some final details and may have something firm by end of next week. I told him I'd send him Russell's contact information, and that Russell or I will give him a call towards the end of next week to touch base.

For Russell's information, Captain Barry Compagnoni's phone number is 842-2640  
 Andy Norris is 535-3241  
 Sean Fahey is 535-3242

I don't have Capt. Steve Mahling's e-mail, so Barry I'd appreciate if you can forward this to him. His number is 535-3201.

Mahalo all for helping us out with this effort. We are very excited to get him on board as soon as possible if
