Subject: RE: Request for Information related to the alleged departure of DOCARE Chief Robert Farrell

What were the reasons for Mr. Farrell's departure? **He has not resigned.**

What is the official date of Mr. Farrell's departure? **He has not resigned.**

What formal arrangements have been made between the DLNR and Mr. Farrell to allow Mr. Farrell to "remain engaged as necessary to make sure the DOCARE academy and other important projects stay on track."? **His continued employment allows for his participation in all DOCARE matters.**

What specific projects will Mr. Farrell be working on and how will he be compensated for his services? **His continued employment allows for his participation in all DOCARE matters.**

Will Mr. Farrell continue to have access to government records, email, equipment, personnel records or other official documents related to DLNR and DOCARE in his new capacity identified in his letter? **Yes**

Will state funds be used to support Mr. Farrell's continued participation in any of DLNR's official business? **Yes, because of his continued status as an employee.**

When will a new DOCARE chief be hired? **When all employment matters are settled.**

Also, please let this letter serve as our formal request for copies all memorandum of agreements, Memorandum of understanding, contracts and other documents related to Mr. Farrell's new position and relationship with the DLNR. **Please file UIPA request as instructed by compliance officer Bin Li.**
